

Champlin Park Fastpitch Association

Refund Policy:

Registration fees for all age levels are refundable for any reason prior to the published close date of the registration period. Refund requests can be made in writing to the CPFA President or Vice President.

Once evaluations have begun, registration fees for all age levels are not refundable except under extraordinary circumstances beyond the player's control, i.e. injury, illness, etc. No refunds for any reason will be made after the season has begun. Refund requests can be made in writing, with supporting documentation, to the CPFA President or Vice President. The CPFA Board will review all refund requests. Refunds may be subject to an administrative fee of \$25 plus incurred expenses.

Refunds will be made if the Board is unable to place a girl on a team – please note that an effort will be made to place all registered players on a team.

Playing Up Policy:

Players will not be allowed to play up one age level, unless the number of girls playing at both age levels involved will allow it. All requests to play up must be made in writing prior to the evaluation process and will be reviewed by the Board. Factors taken into consideration include previous years of fastpitch experience, evaluation results, and available openings on the teams. The Board may request that players move up a level to fill out rosters.

Approved: December 14, 2008
